## Vista Ave to Kansas Ave.: Main Installation/Improvements

<b>What</b>	Installation of PVC pipe to connect existing mains from GSWC plant site to Kansas Ave.
<b>When</b>	Construction will commence in early August and completion of pipe installation will be completed by Early December. Anticipated working hours will be 8:00A.M. to 5:00 P.M or per city of Placentia provisions.
<b>Where</b>	Installation of 16-inch PVC starting at Vista Ave. (917 Vista Ave), through Jaycee Parkette (between Vista Ave. cul-de-sac and Kansas Ave.) and into Kansas Ave. <b><u>During the construction activities, the park will be permanently closed 24/7 and there will be no access to cross back and forth from Vista Ave to Kansas Ave .</u></b>
<b>What to Expect</b>	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging along the new pipeline alignment. The services will generally be installed using an air compressor and pneumatic boring tool. The streets will remain open to traffic during the construction period but traffic and parking may be restricted and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick up will not be interrupted. Generally, as underground activities are completed the crews will progress to the next underground sections and come back near the end of the project to perform landscape and hardscape restoration.
<b>Contacts</b>	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company’s Construction Inspector, Mr. Jose Rivera at (714) 264-5018.
