Advice Letter No. 1763-W

(U 133 W)

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Golden State Water Company (GSWC) hereby transmits one original and two conformed copies of the following tariff sheets applicable to its Region 3 Orange County Customer Service areas:

<u>CPUC Sheet No</u>	<u>Title of Sheet</u>	<u>Canceling CPUC Sheet No.</u>
Revised No. 8251-W	Cowan Heights System Tariff Map	Revised No. 6845-W
Revised No. 8252-W	West Orange System Tariff Map	Revised No. 6843-W
Revised No. 8253-W	Table of Contents Page 1 of 4	Revised No. 8250-W

Purpose

The purpose of this filing is to update the Cowan Heights and West Orange system tariff maps in the Region 3 customer service areas to bring them into conformance with the actual territory served by GSWC.

Request

GSWC is requesting to update its current Cowan Heights and West Orange System tariff maps on file with the California Public Utilities Commission's Water Division to reflect the actual area served. The maps were last updated in March 2014. In compliance with General Order 96-B, Section 8.5.4, GSWC has completed its GIS conversion process for these service areas, which allowed for double-checking parcels around the service area boundaries. The revised maps update areas within GSWC's service territory that were not shown on the last updates. In addition, the layout of the map has been updated to show the boundaries of the service areas, and the location of the service areas in relation to nearby cities and highways.

The filing of this map will not increase any rate or charge, cause the withdrawal of service nor conflict with other schedules or rules.

Tier Designation

This advice letter is submitted with a Tier 1 designation. GSWC is requesting that this filing become effective on the date of filing, February 22, 2019.

Response or Protest

Anyone may submit a response or protest for this AL. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

A **response** supports the filing and may contain information that proves useful to the Commission in evaluating the Advice Letter (AL). A **protest** objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

1. The utility did not properly serve or give notice of the AL;
2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the AL contain material error or omissions;
4. The relief requested in the AL is pending before the Commission in a formal proceeding; or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require re-litigating a prior order of the Commission.

A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

DWA must receive a response or protest via email (or postal mail) within 20 days of the date the AL is filed. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

The addresses for submitting a response or protest are:

Email Address:

Water.Division@cpuc.ca.gov

Mailing Address:

CA Public Utilities Commission
Division of Water and Audits
505 Van Ness Avenue
San Francisco, CA 94102

On the same day the response or protest is submitted to DWA, the respondent or protestant shall send a copy of the protest to Golden State Water Company at:

Email Address:
regulatoryaffairs@gswater.com

Mailing Address:
Golden State Water Company
Attn: Gladys Estrada
630 East Foothill Blvd.
San Dimas, CA 91773

Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform DWA, within the 20 day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

Replies

The utility shall reply to each protest and may reply to any response. Any reply must be received by DWA within five business days after the end of the protest period, and shall be served on the same day on each person who filed the protest or response to the AL.

The actions requested in this advice letter are not now the subject of any formal filings with the California Public Utilities Commission, including a formal complaint, nor action in any court of law.

Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform the Water Division, within the 20 day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

No individuals or utilities have requested notification of filing of tariffs. Distribution of this advice letter is being made to the attached service list in accordance with General Order No. 96-B.

Sincerely,

/s/ Gladys Estrada
