

CONSTRUCTION NOTICE

Serving Californians Since 1929

Saint Ann Main Replacement

What	Replace existing main with new PVC pipe with replacement of any existing services and fire hydrants in project area.
When	Construction will commence early October 2020 to mid-December 2020 Construction will be Monday – Friday, from 7:30AM to 4:30 PM.
Where	Replace of existing cast iron main with the installation of new main, fire hydrants, and services. Installation will be in Saint Ann Ave. from west of Walker St. to Cypress Ave.
What to Expect	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging along the new pipeline alignment. The services will generally be installed using an air compressor and pneumatic boring tool. The streets will remain open to traffic during the construction period but traffic and parking may be restricted and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick up will not be interrupted. Generally, as underground activities are completed the crews will progress to the next underground sections and come back near the end of the project to perform landscape and hardscape restoration.
Contacts	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company's Construction Inspector, Mr. Jose Rivera at (714) 264-5018. Please visit our website at https://www.gswater.com/los-alamitos/infrastructure-projects/ for periodic updates on the construction progress.
