

CONSTRUCTION NOTICE

Serving Californians Since 1929

Installation of Pressure Reducing Valve Assemblies

What	Installation of 6-inch pressure reducing valve assemblies in parkway/sidewalk in Bimini Dr., west of Hyde Park Dr.; and Arroyo Ave., south of Coronel Rd.)
When	Construction will commence in Mid-September 2020 with completion expected by Mid-November 2020. Anticipated working hours will be 9:00A.M. to 4:00 P.M. or as approved by County Inspector.
Where	Installation of 6-inch PRV's at Bimini Dr. & Hyde Park Dr. and Arroyo Ave., South of Coronel Rd. (see attached map)
What to Expect	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging along the new pipeline alignment. The streets will remain open to traffic during the construction period but traffic and parking may be restricted and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick up will not be interrupted. Generally, as underground activities are completed the crews will progress to the next underground sections and come back near the end of the project to perform landscape and hardscape restoration.
Contacts	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company's Inspector, Jose Rivera, (714) 264-5018 Please visit our website at www.gswater.com/placentia/infrastructure-projects/ for periodic updates on the construction progress.
