

CONSTRUCTION NOTICE

Serving Californians Since 1929

Bradford Well #4 Transmission Main Project

What	Installation of approx. 1450 LF of 12” PVC transmission main on S. Bradford from existing GSWC plant to Chapman Avenue to join to the existing 12” DIP along Chapman Avenue, and approx. 2000 LF of 8” PVC distribution main at the alley west of South Bradford Ave (Chapman Plant to Aguirre Ln), Aguirre Ln (alley to S. Bradford Ave), and S. Bradford Ave, replacement of existing water valves, installation of fire hydrants, and other water system appurtenances.
When	Construction will commence mid-February 2024 and completion is expected of the entire project by the end of October 2024. Anticipated working hours will be 7:30 AM to 5:00 PM.
Where	Along Bradford Ave, stretching from Crowther Ave, to beneath railroad crossing, to Chapman Ave, and along Aguirre Ln (alley) from Santa Fe Ave to Chapman Ave
What to Expect	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging along the new pipeline alignment. The streets will remain open to traffic during the construction period but traffic, parking may be restricted using traffic control, and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick-up will not be interrupted. Generally, as underground activities are completed the crews will progress to the next underground sections and come back near the end of the project to perform landscape and hardscape restoration.
Contacts	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company’s Construction Inspector, Mr. David Espinoza at (310) 738-3996, and for any other concern after normal business hours, call (800) 999-4033. Please visit our website at https://www.gswater.com/placentia/infrastructure-projects/ for periodic updates on the construction progress.
