

CONSTRUCTION NOTICE

Installation of a New Water Pipeline

What	Install approximately <u>165 feet of 4" PVC Pipeline</u> . The work will include connecting the new pipe to all the existing pipelines just outside of the intersections.
When	Construction on the new pipeline will commence on <u>December 10, 2018</u> with completion expected the end of <u>January 9, 2019</u> . The <u>County</u> working hours are from <u>7am-4pm</u> .
Where	The new pipeline will be installed in <u>Marcum Street</u> from <u>Clark Ave</u> to <u>end</u> .
What to Expect	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging along the new pipeline alignment. The services will generally be installed using an air compressor and pneumatic boring tool. The streets will remain open to traffic during the construction period but traffic and parking may be restricted and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick up will not be interrupted.
Contacts	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.
