Serving Californians Since 1929

## Jefferson Blvd., at Hetzler Road Storm Drain Line Project

<b>What</b>	Installation of new catch basin and storm drain from the GSWC Baldwin Hills Facility into the Hetzler Road existing storm drain and facility upgrades in Jefferson Blvd. The work in Jefferson Blvd., will include semi-permanent traffic controls during the construction (k-rails) and sidewalk closures with detours.
<b>When</b>	Construction has commenced with completion expected by November 2018. The Culver City working hours are from 8:00 am to 8:00 pm. daily and on weekends in Jefferson Blvd.
<b>Where</b>	The main and storm drain will be installed in Hetzler Road from the GSWC Facility as well in Jefferson Blvd., at Hetzler Road.
<b>What to Expect</b>	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging along the new pipeline alignment. The streets will remain open to traffic during the construction period but traffic and parking may be restricted and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick-up will not be interrupted. Generally, as underground activities are completed the crews will progress to the next underground sections and come back near the end of the project to perform landscape and hardscape restoration as well as perform final street paving.
<b>Contacts</b>	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Representative at (562) 522-8835.

Golden State Water Company thanks you for your patience while we work to improve your water system.
