

More than \$21.7 Million scheduled to be invested in Southwest

Golden State Water is committed to responsibly maintaining the local water infrastructure to ensure we can continue providing customers with premium water service. These investments protect the safety and reliability of the local water system.

Benefit to Customers

Below are two of the major projects planned for the Southwest Customer Service Area in 2022. For additional project details, please visit www.GSWater.com/Southwest.

Project Name: 161st Street Area Main Replacement

Construction Summary Construction crews will work to install approximately 9,300 Linear Feet of new pipeline, 340 new domestic services, and 16 fire hydrants.

Project Rational This project will improve the distribution system and ensure Golden State Water can continue providing reliable water service to local customers.

Working Hours Monday through Friday | 7 a.m. – 3 p.m.

Anticipated Project Timeline December 2021 through April 2022

Project Name: 169th Street & Denker Ave. Area Main Replacement

Construction Summary Construction crews will work to install approximately 4,250 Linear Feet of new pipeline, 171 new domestic services and 12 fire hydrants.

Project Rational This project will improve the distribution system and ensure Golden State Water can continue providing reliable water service to local customers.

Working Hours Monday through Friday | 7 a.m. – 3 p.m.

Anticipated Project Timeline December 2021 through April 2022

Companywide, an investment of more than \$18 million to replace old meters, services, safety equipment, etc. will be made throughout GSWC service areas. This investment is critical to protect the quality and reliability of water service.

Further, we employ proactive maintenance programs and update our aging pipeline infrastructure on a replacement schedule of approximately 100 years, which is twice the national replacement average of every 200 years.

Golden State Water also remains focused on investing to modernize the customer service experience with improved online and account management resources.
