

Golden State Water Sponsors Rancho Cordova's H.Y.D.E. Out Teen Center

Golden State Water Company (Golden State Water) is a proud sponsor of Rancho Cordova's H.Y.D.E. Out Teen Center, located at the Cordova Recreation & Park District's Hagan Community Center.

An acronym for "Healthy Youth Development Experience," the H.Y.D.E Out Teen Center serves as a comfortable space for Rancho Cordova teens to develop skills and discover new talents. The center, which provides a safe and constructive place for teens to hang out after school, is equipped with a pool, foosball and air hockey tables, multiple gathering areas and numerous activities.

"The H.Y.D.E. Out Teen Center is a wonderful resource for our local youth, and we appreciate the opportunity to provide this support that will help fund various programs and special events throughout the year," said Sean Twilla, Distribution Superintendent for Golden State Water's Arden Cordova service area. "Golden State Water takes great pride in its role as a trusted partner in Rancho Cordova, and our team is dedicated to making an impact at all levels of the community."
