

GOLDEN STATE WATER COMPANY

HIGH-EFFICIENCY TOILET REBATE APPLICATION

Important: Please read the application materials carefully and keep a copy for your records. Please type or print clearly in ink, then mail completed application and original cash register receipt and/or plumber's invoice to the water provider listed below. Use one application per property location. Residential and multi-family applicants are eligible. The number of rebates is dependent upon the availability of program funds. All information on this application form is considered confidential. Applications are processed in the order received. Funding is limited, therefore, rebates are not guaranteed.

AGREEMENT

I have read and understand the program information as stated in the attached application materials. I certify that I have installed said toilet(s) at the subject property. I also understand that by signing here I agree to have an official of my water provider verify the installation of the high-efficient toilet(s) at said property. I agree to hold Golden State Water Company harmless from any and all liability or claims for damage resulting from or alleged to result from the installation of the HET OR UHET, the inspection of the premises to verify proper installation, and any other activity related to this program.

AUTHORIZED SIGNATURE	TITLE (IF APPLICANT IS A BUSINESS)	DATE

How to get your High Efficient Toilet (HET) or Ultra High Efficient Toilet (UHET) rebate.

1. Rebates are up to **\$125** for an **HET** or **UHET**. Total rebate amount will not exceed the actual cost of the product(s). Eligible expenses include 1.28 (or less) gallon per flush tank, bowl, seat, supply line, wax ring, caulking, bolts, bolt covers. Sales tax is not eligible for rebate.
2. Rebates are available on a first-come, first-served basis and funding is limited. Applications may be rejected if funding runs out or the program is terminated at any time.
3. HETs and UHETs purchased must be on the approved list found at:
http://socialwatersmart.com/images/PDFs/qualifying_list_het.pdf
4. Purchase and install the new toilet(s). You must be replacing a toilet using 3.5 gallons per flush or greater to be eligible. Typically, these are toilets purchased and installed prior to 1992.
5. You may install the toilet(s) yourself or you may also hire a licensed contractor.
6. Return the original dated receipt and/or plumber's invoice with the price, model and brand of each toilet listed individually, and the completed application. Keep a copy for your records.
7. Submitting a signed application represents agreement to have *Golden State Water Company* verify installation of the toilet with an onsite inspection. *Golden State Water Company* will schedule an inspection.
8. *Golden State Water Company* will issue rebate checks within eight to ten weeks of receipt of your completed application materials.
9. *Golden State Water Company* is required to send IRS form 1099 to the customer and the IRS when rebates total \$600 or more. Check with your tax advisor for more information.

Qualifications

1. Purchase of material must occur within the program period of **January 1, 2011 to October 31, 2012**. The number of rebates is dependent upon the availability of program funds. Call *Golden State Water Company* to see if funds are available.
2. The location of installation must be served by Golden State Water Company.
3. Only Residential and multi-family applicants are eligible.
4. Replacement of an ultra-low flush toilet (ULFT) or HET with another HET is not eligible for rebate under this program.
5. New construction is not eligible for rebate under this program.

Permitting

Check with your local building department to determine if building permits are required. GSWC is not liable for the consequences regarding building permits.

Disclaimer

Golden State Water Company, reserves the right to deny an application of any participant who does not meet all requirements as outlined. *Golden State Water Company*, reserve the right to change the terms of this program at their discretion. *Golden State Water Company* is not responsible for receipts or paperwork lost in the U.S. mail. *Golden State Water Company* cannot guarantee that the installation of the HET's or UHET's will result in lower water utility costs. The number of rebates is dependent upon the availability of program funds. Applications will be processed, when all required information is provided by the applicant; on a first-come, first-served basis.

Customer Survey

As part of that program, we are surveying customers to understand why they are making their choices regarding the replacement of toilet fixtures. In order to assist us in designing better programs, please complete the following questions:

- | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1. How many people in your household? | 7. Would you consider replacing any toilets that are not efficient (greater than 3.5 gallons per flush) in the next 2 years if additional rebates are available? |
| 2. How many toilets do you have in your home? | <input type="checkbox"/> Yes
<input type="checkbox"/> No |
| 3. How many toilets are being replaced? | 8. Have you applied for other efficiency rebates with GSWC?
<u>y/n</u> |
| 4. For efficient toilets installed in the home, how would you rate their performance? | 9. Did you know about other rebates and programs?
<u>y/n</u> |
| <input type="checkbox"/> Better than expected
<input type="checkbox"/> About what expected
<input type="checkbox"/> Below what expected
<input type="checkbox"/> Don't yet know | <u>What other programs would you be interested in?</u>

_____ |
| 5. Primary reason for replacing existing toilet with a more efficient toilet (please check only one). | 9. How did you find out about the program? (Please check all that apply): |
| <input type="checkbox"/> Bathroom remodel
<input type="checkbox"/> Toilet broken or not performing well
<input type="checkbox"/> Heard about the rebate program
<input type="checkbox"/> Concerned about saving water
<input type="checkbox"/> Other _____ | <input type="checkbox"/> Utility billing/Newsletter
<input type="checkbox"/> Newspaper/Publication
<input type="checkbox"/> Website
<input type="checkbox"/> Radio/TV
<input type="checkbox"/> Billboard
<input type="checkbox"/> At an event
<input type="checkbox"/> Friend/Neighbor
<input type="checkbox"/> Other |
| 6. If there are toilets in the home/business that are not being replaced, (please check all reasons that apply below). | |
| <input type="checkbox"/> Toilet is already 1.6 gallons per flush or less
<input type="checkbox"/> Existing toilet is working well
<input type="checkbox"/> New toilet too expensive
Other _____ | |
