How to get your high-efficiency clothes washer (HECW) rebate.

1. Call Golden State Water Company at 1-800-999-4033 to see if rebates are available.
2. To obtain a rebate, customers must agree to a site inspection of the installation. This service is provided free of charge for customers.
3. Purchase and install the new HECW. You must purchase HECW that has a water factor of 4.0 or better to qualify for the rebate. The water factor is the number of gallons used per cubic foot of laundry.
4. Residential customers can qualify for only one HECW rebate per home.
5. You may install the washer yourself or you may also hire a licensed contractor.
6. Return the original dated receipt and/or plumber's invoice with the price, model, and brand of the HECW, and the completed application. Keep a copy for your records.
7. Submitting a signed application represents agreement to have Golden State Water Company verify installation of the HECW with customer present. Golden State Water Company will schedule an inspection as the need arises.
8. Rebates are up to **\$125.00** for an HECW. Call Golden State Water Company to verify the amount you are eligible for. Total rebate amount will not exceed money spent. The rebate will cover only the purchase of the HECW.
9. If approved, Golden State Water Company will issue rebate checks within 8 to 10 weeks of receipt of your completed application materials.

Qualifications

1. Purchase of material must occur within the program period of **January 1, 2011 to December 31, 2011**. The number of rebates is dependent upon the availability of program funds. Call Golden State Water Company to see if funds are available.
2. The installation location must be served by Golden State Water Company's service area.
3. **Only residential customers are eligible.**
4. New construction is not eligible for rebate under this program.

Permitting

Building permits are not required when a residential customer simply removes and installs a high-efficiency clothes washer on existing plumbing. A permit is required when a plumbing fixture will be relocated.

Disclaimer

Golden State Water Company reserves the right to deny applications if above stated requirements are not met. Golden State Water Company reserves the right to change the terms of this program at its discretion and in accordance with applicable law. Golden State Water Company is not responsible for receipts or paperwork lost in the U.S. mail. Golden State Water Company cannot guarantee that the installation of the HECW will result in lower water utility costs. The number of rebates is dependent upon the availability of program funds. Applications will be processed when all required information is provided by the applicant, on a first-come, first-served basis.
