How to get your high efficiency clothes washer (HECW) rebate.

1. You must first call *Golden State Water Company* @ 1-800-999-4033 to see if rebates are available.
2. To obtain a rebate, customers must agree to a site inspection of the installation. This service is at no direct cost to the customer.
3. Purchase and install the new High Efficient Clothes Washer (HECW). You must purchase HECW that has a water factor of 4.0 or better to qualify for the rebate.
4. **Residential customers can qualify for up to 1 HECW rebate per home.**
5. You may install the washer yourself or you may also hire a licensed contractor.
6. Return the original dated receipt and/or plumber's invoice with the price, model and brand of the HECW, and the completed application. Keep a copy for your records.
7. Submitting a signed application represents agreement to have *Golden State Water Company* verify installation of the washer, with your accompaniment. *Golden State Water Company* will schedule an inspection as the need arises.
8. Rebates are up to **\$100.00** for an **HECW** (High Efficiency Clothes Washer). Call *Golden State Water Company* to verify the amount you are eligible for. Total rebate amount will not exceed money spent.
9. Eligible expenses include only the high efficient clothes washer purchase.
10. *Golden State Water Company* will issue rebate checks within eight to ten weeks of receipt of your completed application materials.

The number of rebates is dependent upon the availability of program funds. Applications will be processed, when all required information is provided by the applicant, on a first-come, first-served basis.

Qualifications

1. Purchase of material must occur within the program period of **January 1, 2010 to December 31, 2010**. The number of rebates is dependent upon the availability of program funds. Call *Golden State Water Company* to see if funds are available.
2. The installation location must be served by Golden State Water Company's Ojai service area.
3. **Only residential customers are eligible.**
4. New construction is not eligible for rebate under this program.

Permitting

Building permits are not required when a residential customer simply removes and installs a high efficient clothes washer on existing plumbing. A permit is required when a plumbing fixture will be relocated.
