

SAVE WATER, SAVE MONEY

WITH A FREE WATER-EFFICIENT TOILET

Golden State
Water Company
A Subsidiary of American States Water Company

Event Date:

Saturday, February 27, 2010

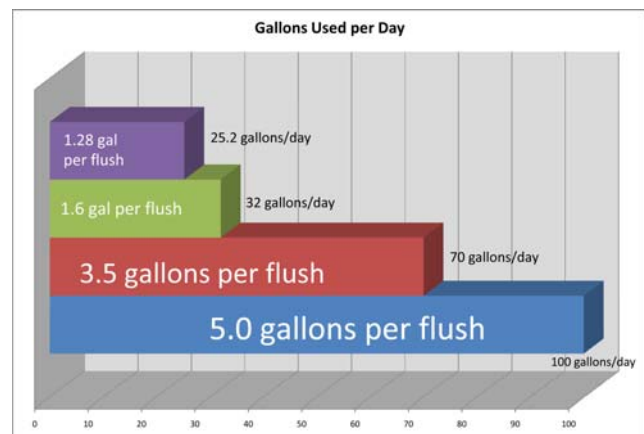

Pre-Registration is Required!

(no walk-ins will be accepted on toilet distribution day)

Golden State Water Company
customers will receive a free
home water conservation kit

- 1) Must be a customer of Golden State Water Company in Culver City, Hawthorne and in the South Bay.
- 2) Must pre-register by calling 866-931-3494 or online at www.swe-inc.com
- 3) Must bring a copy of your most recent water bill and a current driver's license
- 4) Must install new toilet (s) and return old toilet (s) within two weeks
- 5) Limit is two toilets per home, condo or apartment unit
- 6) If you already had two ultra-low flush toilets installed, you cannot participate
- 7) Existing toilets of 1.6 gallons per flush or less do not qualify for this exchange program

HOW MANY GALLONS OF WATER DOES
YOUR TOILET USE?

This toilet distribution is co-sponsored by Golden State Water Company, West Basin Municipal Water District, and Metropolitan Water District of Southern California
