

## Golden State Water Donates Turkeys to Local Non-Profits Serving Individuals and Families in Need Through Operation Gobble

Golden State Water Company (Golden State Water) was pleased to partner with State Senators Tom Berryhill (SD-8), Ted Gaines (SD-1) and Jim Nielsen (SD-4), Assemblymembers Ken Cooley (AD-8), Cecilia Aguiar-Curry (AD-04), James Gallagher (AD-3), the Sutter County Board of Supervisors, Contra Costa County Supervisor Federal Glover, Bay Point MAC Board, Clearlake City Council, and the Rancho Cordova City Council to distribute turkeys this holiday season to local non-profit organizations in the Northern District that serve individuals and families in need as part of the annual Operation Gobble outreach program.

Golden State Water employees delivered turkeys throughout November to community-based organizations that serve the areas of Arden Manor, Bay Point, Clearlake, Gold River, Rancho Cordova and Sutter County. Organizations that benefitted from Operation Gobble donations include: Rancho Cordova Community Food Locker, River City Christian, Elks Lodge #2484, Yuba-Sutter Food Bank, Alliance for Hispanic Advancement, Yuba-Sutter-Colusa United Way, Craftsmen for Christ, Marysville Mission, River Bottoms Ministry, Salvation Army Yuba-Sutter Corps, Clearlake Charities, St. Ignatius Parish, Ambrose Lions Club, and CCC Café, to name a few.

“We appreciate the partnerships with elected officials and community leaders to help ensure the turkeys find their way to those in our community who need them most,” said Paul Schubert, Northern District General Manager for Golden State Water. “Our employees look forward to Operation Gobble every year, because they take pride in serving the community and understand how a warm holiday meal can positively impact an individual or family that is less fortunate.”

Operation Gobble has been a Golden State Water tradition since 1990. This year, Golden State Water distributed more than 7,700 turkeys to non-profits serving individuals and families with limited resources. Throughout the 27-year tradition, Golden State Water has donated more than 231,700 turkeys to charitable organizations through Operation Gobble.
