Advice Letter No. 1843-W

(U 133 W)

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Golden State Water Company (GSWC) hereby transmits the following tariff sheets applicable to its Santa Maria Customer Service Area (CSA):

<u>CPUC Sheet No</u>	<u>Title of Sheet</u>	<u>Canceling CPUC Sheet No.</u>
Revised No. 8840-W	Santa Maria Service Area Lake Marie System Map	Revised No. 5705-W
Revised No. 8841 -W	Santa Maria Service Area Orcutt System Map	Revised No. 5558-W
Revised No. 8842 -W	Santa Maria Service Area Sisquoc System Map	Revised No. 5257-W
Revised No. 8843 -W	Table of Contents Page 1 of 4	Revised No. 8839-W

Request

GSWC is requesting to update its current Lake Marie, Orcutt and Sisquoc system maps in the Santa Maria CSA on file with the California Public Utilities Commission's Water Division to reflect the actual areas served. The maps were last updated in January 2010, March 2009 and May 2008, respectively.

GSWC completed its GIS conversion process for the Lake Marie, Orcutt and Sisquoc system maps, which allowed for the double-checking of parcels around the service area boundaries. The update to the maps reflects the actual areas served.

The revised Orcutt system map adds two parcels within GSWC's service territory that were not shown in the last map update. Specifically, the layout of the map has been updated to show the parcels along Waller Lane and an area along Orcutt Road; these areas have been served by GSWC since 1979 and 1988, respectively.

The filing of these maps will not increase any rate or charge, cause the withdrawal of service nor conflict with other schedules or rules.

Tier Designation

This advice letter is submitted with a Tier 1 designation. GSWC is requesting that this filing become effective on February 20, 2021.

Response or Protest

Anyone may submit a response or protest for this AL. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

A **response** supports the filing and may contain information that proves useful to the Commission in evaluating the Advice Letter (AL). A **protest** objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

1. The utility did not properly serve or give notice of the AL;
2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the AL contain material error or omissions;
4. The relief requested in the AL is pending before the Commission in a formal proceeding; or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require re-litigating a prior order of the Commission.

A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

DWA must receive a response or protest via email (or postal mail) within 20 days of the date the AL is filed. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

The addresses for submitting a response or protest are:

Email Address:

Water.Division@cpuc.ca.gov

Mailing Address:

CA Public Utilities Commission
Division of Water and Audits
505 Van Ness Avenue

San Francisco, CA 94102

On the same day the response or protest is submitted to DWA, the respondent or protestant shall send a copy of the protest to Golden State Water Company at:

Email Address:
regulatoryaffairs@gswater.com

Mailing Address:
Golden State Water Company
Attn: Gladys Estrada
630 East Foothill Blvd.
San Dimas, CA 91773

Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform DWA, within the 20 day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

Replies

The utility shall reply to each protest and may reply to any response. Any reply must be received by DWA within five business days after the end of the protest period, and shall be served on the same day on each person who filed the protest or response to the AL.

The actions requested in this advice letter are not now the subject of any formal filings with the California Public Utilities Commission, including a formal complaint, nor action in any court of law.

No individuals or utilities have requested notification of filing of tariffs. Distribution of this advice letter is being made to the attached service list in accordance with General Order No. 96-B.

Sincerely,

/s/ Gladys Estrada
