SUBJECT: Low Income Program Name Change

PURPOSE

This advice letter is filed in compliance with Decision No. ("D.") 20-08-047, dated August 27, 2020, which among other things, ordered all water utilities under the jurisdiction of the California Public Utilities Commission ("Commission") to rename and refer to their respective low income programs by the universal name of Customer Assistance Program or CAP. Currently, GSWC's low income program is referred to as the California Alternate Rates for Water ("CARW") program. GSWC is filing this advice letter to notify the Commission of its compliance with D.20-08-047 and by the submission and approval of the

attached tariffs, GSWC officially changes the name of its low income program from the California Alternate Rates for Water Program to the Customer Assistance Program.

BACKGROUND

In D.20-08-047, dated August 27, 2020, the Commission ordered all water utilities to change the name of their low-income assistance programs to “Customer Assistance Program” at the time of filing of their next General Rate Case or GRC. Specifically, Ordering Paragraph No. 4 states, in part,

Water utilities with low-income programs shall describe their programs in filing and public outreach with the name “Customer Assistance Program.” Water utilities may use the CAP acronym where appropriate.

GSWC is currently in the middle of its 2020 GRC application (A.20-07-012, filed July 15, 2020), with a decision not expected until December 2021 at the earliest, and its next GRC is not scheduled to be filed until July 2023. In order to implement the name change of its low income program sooner rather than later, GSWC is seeking to implement the change now.

DISCUSSION

In addition to the revisions being made to the Preliminary Statement Part Q and Form No. 3, GSWC has active low income program-related surcredits in the Special Conditions section of its water rate tariffs that are being revised to reflect the new name of the low income program.

ADVICE LETTER NO. 1851-W

On April 15, 2021, GSWC filed Advice Letter No. 1851-W to update the qualifying household income levels for the low income program for fiscal year 2021/2022 and change the name of the low income program to Customer Assistance Program on Schedule No. LI and Form No. 20. Advice Letter No. 1851-W was approved with an effective date of June 1, 2021.

COMPLIANCE

This advice letter is made in compliance with Ordering Paragraph No. 4 in D.20-08-047.

CUSTOMER NOTIFICATION

This is a compliance advice letter that does not require customer notification. All GSWC water tariffs (rate schedules, Forms, Rules, and Preliminary Statement) will refer to the low income program as the Customer Assistance Program or CAP. GSWC’s website will refer to the low income program by its new name, Customer Assistance Program or CAP.

TIER DESIGNATION

This advice letter is submitted with a Tier 1 designation.

EFFECTIVE DATE

GSWC is requesting this advice letter become effective on June 8, 2021, five days after the filing date of this advice letter.

RESPONSE OR PROTEST

Anyone may submit a response or protest for this Advice Letter (AL). When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

A **response** supports the filing and may contain information that proves useful to the Commission in evaluating the AL. A **protest** objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

1. The utility did not properly serve or give notice of the AL;
2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the AL contain material error or omissions;
4. The relief requested in the AL is pending before the Commission in a formal proceeding; or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require re-litigating a prior order of the Commission.

A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

Water Division (WD) must receive a response or protest via email (**or** postal mail) within 20 days of the date the AL is filed. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

The addresses for submitting a response or protest are:

Email Address:

Water.Division@cpuc.ca.gov

Mailing Address:

CA Public Utilities Commission
Division of Water and Audits
505 Van Ness Avenue
San Francisco, CA 94102

On the same day the response or protest is submitted to WD, the respondent or protestant shall send a copy of the protest to Golden State Water Company at:

Email Address:
regulatoryaffairs@gswater.com

Mailing Address:
Golden State Water Company
Attn: Ronald Moore
630 East Foothill Blvd.

Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform WD, within the 20-day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

REPLIES

The utility shall reply to each protest and may reply to any response. Any reply must be received by WD within five business days after the end of the protest period, and shall be served on the same day on each person who filed the protest or response to the AL.

The actions requested in this advice letter are not now the subject of any formal filings with the California Public Utilities Commission, including a formal complaint, nor action in any court of law.

No individuals or utilities have requested notification of filing of tariffs. Distribution of this advice letter is being made to the attached service list in accordance with General Order No. 96-B.

Sincerely,

/s/ Ronald Moore
