Advice Letter No. 1881-W

(133 W)

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Golden State Water Company (“GSWC”) hereby transmits the following tariff sheets applicable to its Bay Point Customer Service Area (“CSA”):

<u>CPUC Sheet No</u>	<u>Title of Sheet</u>	<u>Canceling CPUC Sheet No.</u>
Revised No. 9068-W	Contracts and Deviations	Revised No. 7803-W
Revised No. 9069-W	Table of Contents Page 5	Revised No. 9052-W
Revised No. 9070-W	Table of Contents Page 1	Revised No. 9067-W

Purpose

GSWC requests authorization to update its Contracts and Deviations tariff to remove the Well Water Lease Agreement (“Lease Agreement”) with Westwood Village Condominiums (“Westwood Village”) that expired on December 31, 2021.

Background

On December 8, 2015, GSWC filed Advice Letter No. 1646-W requesting authorization to update its Contracts and Deviations tariff to add the Lease Agreement. Advice Letter No. 1646-W was approved with an effective date of January 7, 2016.

The Lease Agreement was in place for the period March 17, 2014 thru July 16, 2019. GSWC honored a request from Westwood Village to extend the service period to December 31, 2021.

On October 20, 2020, GSWC sent a correspondence to the President of the Westwood Village Condominium Association, notifying the association that GSWC did not wish to renew the Water Lease Agreement beyond December 31, 2021. GSWC and Westwood Village agreed to terminate the water lease agreement, effective December 31, 2021.

Lease Agreement Termination Clause

Section No. 7 of the Water Lease Agreement states,

Either party may terminate this Agreement, upon the giving of ninety (90) days written notice to the other party delivered via certified United States Postal Service. In the event GSWC terminates this Agreement pursuant to this paragraph, and upon

written request provided to GSWC from the Association within thirty (30) days from the date of notice of termination by GSWC, GSWC will reimburse the Association for all reasonable costs for the destruction of the Well in a manner consistent with all applicable County regulations, provided that the Association causes the well to be destroyed pursuant to all applicable County regulations within four (4) months from the date of notice of termination by GSWC. In the event this Agreement is terminated pursuant to this Paragraph, GSWC will resume billing, and the Association shall resume paying, for water service at GSWC's then current CPUC tariff schedule.

Beginning January 1, 2022, GSWC resumed billing Westwood Village at the applicable GSWC rate schedule in its Bay Point CSA.

A copy of the terminated Lease Agreement is attached to this advice letter. See Attachment A.

Request

GSWC is requesting to remove the Westwood Village Water Well Lease Agreement from its List of Contracts and Deviations tariff. The lease agreement expired on December 31, 2021, and neither party requested to renew or extend its effective date.

Tier Designation

This advice letter has a Tier 1 designation. GSWC is requesting that this filing become effective upon its filing date, which is May 12, 2022.

Response or Protest

Anyone may submit a response or protest for this Advice Letter ("AL"). When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

A **response** supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A **protest** objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

1. The utility did not properly serve or give notice of the AL;
2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the AL contain material error or omissions;
4. The relief requested in the AL is pending before the Commission in a formal proceeding; or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or

6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require re-litigating a prior order of the Commission.

A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

The Water Division (“WD”) must receive a written response or protest within 20 days of the date the AL is filed. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

The addresses for submitting a response or protest are:

Email Address:

Water.Division@cpuc.ca.gov

Mailing Address:

CA Public Utilities Commission
Water Division
505 Van Ness Avenue
San Francisco, CA 94102

On the same day the response or protest is submitted to WD, the respondent or protestant shall send a copy of the protest to Golden State Water Company at:

Email Address:

regulatoryaffairs@gswater.com

Mailing Address:

Golden State Water Company
Attn: Ronald Moore
630 East Foothill Blvd.
San Dimas, CA 91773

Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform WD, within the 20-day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

Replies

The utility shall reply to each protest and may reply to any response. Any reply must be received by WD within five business days after the end of the protest period, and shall be served on the same day on each person who filed the protest or response to the AL.

The actions requested in this advice letter are not now the subject of any formal filings with the California Public Utilities Commission, including a formal complaint, nor action in any court of law.

No individuals or utilities have requested notification of filing of tariffs. Distribution of this advice letter is being made to the attached service list in accordance with General Order No. 96-B.

Sincerely,

/s/ Ronald Moore

WATER WELL LEASE RENEWAL AGREEMENT

This **WATER WELL LEASE RENEWAL AGREEMENT** ("**Agreement**") is executed this 17 day of March, 2014 ("**Effective Date**") by and between **GOLDEN STATE WATER COMPANY**, a California Corporation ("**GSWC**"), and the **WESTWOOD VILLAGE CONDOMINIUMS ASSOCIATION**, a California non-profit, mutual benefit corporation ("**Association**") (each a "**Party**" and collectively the "**Parties**"), with reference to the following facts:

A. GSWC is an investor-owned utility, regulated by the California Public Utilities Commission ("**CPUC**"), which provides retail water service to residents and businesses within and surrounding the unincorporated community of Bay Point within Contra Costa County (the "**Bay Point System**").

B. The Association is the owner of a tract of land within a planned unit development, commonly referred to as "**Westwood Village**," which is located within GSWC's Bay Point System. ~~Westlake~~ Westwood Village obtains water from GSWC through two water meters. Westwood

C. The Association owns a well site and a groundwater well within the well site (collectively hereafter, the "**Well**") on a parcel located within Westwood Village (Assessor's Parcel Number 097-350-053) ("**Parcel**"). The Well has been operated by GSWC pursuant to a lease entered into on March 10, 1998, expiring on March 10, 2013 ("**Original Lease**").

D. Pursuant to the Original Lease, GSWC was obligated to operate and maintain the Well, and to supply up to 4.5 million gallons of water annually to the Association at no charge except for a monthly service charge for the two water meters operated by GSWC to service the Association. In exchange, the Original Lease authorized GSWC to use additional water available from the Well for its Bay Point System.

E. The Parties desire to renew the Original Lease and substitute it in its entirety with this Agreement.

NOW, THEREFORE, in consideration of the foregoing recitals, the Parties agree as follows:

1. **Renewal Term.** Unless early terminated pursuant to Paragraph 7 of this Agreement, the term of this Agreement shall be five (5) years from the Effective Date with two (2) options to renew at GSWC's option for five (5) years each.

2. **Rights to Pump Well.** During the term of this Agreement GSWC may pump all water available from the Well into GSWC's Bay Point System.

3. **Operation of the Well.** During the term of this Agreement, GSWC shall, at its sole expense: (i) operate, maintain, and repair the Well as is necessary to maintain the Well in a reasonable and safe working condition. GSWC may also make improvements to the Well as it deems appropriate during the term of this Agreement.

4. **Water Service to the Association.** GSWC shall serve water to the Association through two existing meters serving the Association. On a monthly basis GSWC shall bill the Association in accordance with the applicable CPUC Rules and as set forth in GSWC's CPUC tariff schedule. The monthly bill will provide the prior meter read, the current meter read, the total quantity used in hundred cubic feet (CCF), the dollar charge for the quantity used, and the monthly service charge. In addition, the bill will show the amount of credit applied to the prior month's balance for consideration for the lease of the Well by the Association to GSWC. The amount of credit will be for all CCF quantity charge up to a maximum of 4,680 CCF (approximately 3.5 million gallons) per calendar year. Any CCF used above the 4,680 CCF will be billed in accordance with the applicable tariff schedule.

Accounting of the above-stated credit shall commence beginning the first billing period after January 1, 2014. In addition to any sum for volumetric water service owed by the Association for water received in excess of the above-stated credit, the Association shall pay the fixed monthly service charge and additional charges that are not related to the quantity of water used for the two meters serving the Association as set forth in GSWC's CPUC tariff schedule. GSWC shall not be required to provide any further consideration for the lease of the Well other than the above-stated credit and such other obligations expressly set forth in this Agreement.

5. **Access to Well.** The Association shall afford GSWC reasonable rights of ingress and egress to access the Well and Parcel across the roadways, parking areas, and pathways within the Association, as necessary to operate, maintain, repair and improve the Well and ancillary facilities thereto.

6. **Indemnification of Association.** GSWC shall assume all liability for the operation of the Well during the term of this Agreement. Further, during the term of this Agreement, GSWC shall indemnify and save harmless the Association, its individual homeowners, tenants, and assignees, its Directors and Committee members, and its management company, from any loss, claim, expense (including attorneys' fees and court costs), demand or cause of action of any kind or character arising out of the operation, management, maintenance, repair, or improvement of the Well, except for any loss or damage caused by the sole negligence or intentional actions or omissions of the Association, its individual homeowners, tenants and assignees, its Directors and Committee members, or its management company.

7. **Early Termination.** Either party may terminate this Agreement, upon the giving of ninety (90) days written notice to the other party delivered via certified United States Postal Service. In the event GSWC terminates this Agreement pursuant to this Paragraph, and upon written request provided to GSWC from the Association within thirty (30) days from the date of notice of termination by GSWC, GSWC will reimburse the Association for all reasonable costs for the destruction of the Well in a manner consistent with all applicable County regulations, provided that the Association causes the well to be destroyed pursuant to all applicable County regulations within four (4) months from the date of notice of termination by GSWC. In the event this Agreement is terminated pursuant to this Paragraph, GSWC will resume billing, and the Association shall resume paying, for water service at GSWC's then-current CPUC tariff schedule.

8. **General Provisions**

a. **Further Assurances.** The Parties shall execute such further documents and do any and all such further things as may be necessary to implement and carry out the intent of this Agreement.

b. **Construction.** The provisions of this Agreement shall be liberally construed to effectuate its purposes. The language of this Agreement shall be construed simply according to its plain meaning and shall not be construed for or against any Party, as each Party has participated in the drafting of this Agreement and had the opportunity to have their counsel review it.

e. Severability. If any term or provision of this Agreement is determined to be illegal, unenforceable, or invalid in whole or in part for any reason, such illegal, unenforceable, or invalid provision or part thereof, shall be stricken from this Agreement, and such provision shall not affect the legality, enforceability, or validity of the remainder of this Agreement. If any provision or part of this Agreement is stricken in accordance with the provisions of this section, then the stricken provision shall be replaced, to the extent possible and as agreed to by the Parties, with a legal, enforceable and valid provision that is as similar in content to the stricken provision as is legally possible.

There are no other terms, conditions, or agreements, express or implied, written or oral, between the Association and GSWC, that extend, limit, or in any way modify the terms of this Agreement.

g. Amendments. This Agreement may be amended, modified or supplemented only by a writing signed by both parties. Any purported oral amendment, modification, or supplement of this Agreement is void.

h. Successors and Assigns. This Agreement shall be binding on and shall inure to the benefit of the Parties and their respective legal representatives, successors, and assigns.

i. No Third Party Rights. The Parties authorize each other to detach and combine original signature pages and consolidate them into a single identical original. Any of such completely executed counterparts shall be sufficient proof of this Agreement.
