STATE OF CALIFORNIA GAVIN NEWSOM, Governor

PUBLIC UTILITIES COMMISSION

505 VAN NESS AVENUE SAN FRANCISCO, CA 94102-3298

December 27, 2023

Ronald K. Moore Senior Regulatory Analyst Golden State Water Company 630 East Foothill Blvd. San Dimas, CA 91773

Dear Mr. Moore,

The Water Division of the California Public Utilities Commission has approved Golden State Water Company's Advice Letter No. 1912-A, (Supplement to Advice Letter No. 1912), filed on December 14, 2023, regarding Preliminary Statement Update - Drinking Water Fees Balancing Account.

Enclosed are copies of the following revised tariff sheets, effective December 7, 2021, for the utility's files:

P.U.C.	
Sheet No.	Title of Sheet
9360-W	Preliminary Statement
	Drinking Water Fees Balancing Account, Part UUUU
9361-W	Table of Contents, Page 2
9362-W	Table of Contents, Page 1
Cancel	9138-W

Please contact Alex Pineda at FIL@cpuc.ca.gov, if you have any questions.

Thank you.

Advice Letter No. 1912-WA

(U 133 W)

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Golden State Water Company ("Golden State") hereby transmits the following tariff sheets applicable to its water operations:

CPUC Sheet No Original No. 9360-W*	Title of Sheet Preliminary Statement Drinking Water Fees Balancing Account, Part UUUU	Canceling <u>CPUC Sheet No.</u>
Cancel	Preliminary Statement Drinking Water Fees Memorandum Account, Part QQQQ	Revised No. 9138-W
Revised No. 9361-W*	Table of Contents, Page 2	Revised No. 9325-W
Revised No. 9362-W*	Table of Contents, Page 1	Revised No. 9359-W

In accordance with the California Public Utilities Commission ("Commission") General Order No. 96-B, Water Industry Rule 7.3.2 (7) and 8.2, Golden State is hereby seeking authorization to establish a Drinking Water Fees Balancing Account ("DWFBA"), which will track all drinking water fees charged by the State Water Resources Control Board ("Water Board") that vary from the adopted drinking water fees in authorized rates. This authority was granted to Class B, C, and D water utilities in Commission Resolution No. W-4698, dated July 31, 2008. The DWFBA will function the same as its predecessor, the Drinking Water Fees Memorandum Account ("DWFMA"), but will allow Golden State to track the periodic drinking water fees increases incremental to costs in rates without having to modify its Preliminary Statement each time, as with the DWFMA. Golden State is seeking to close and remove the current DWFMA Preliminary Statement from its tariff book and transfer its cumulative balance to the DWFBA.

Supplement

This supplement closes Golden State's Drinking Water Fees Memorandum Account (Preliminary Statement, Part QQQQ) and creates the Drinking Water Fees Balancing

Account (Preliminary Statement, Part UUUU), that will track all drinking water fees charged by the State Water Resources Control Board that differ from the adopted drinking water fees in authorized rates. The cumulative balance in the DWFMA will transfer to the DWFBA upon closing of the DWFMA. The DWFBA will maintain the same effective date as the DWFMA. This supplemented advice letter replaces Advice Letter No. 1912-W in its entirety.

Background

Golden State, via Advice Letter No. 1868-W, created the DWFMA to track the increase in Drinking Water Fees adopted by State Water Board on September 22, 2021 for fiscal year 2021-22. Advice Letter No. 1868-W became effective on December 7, 2021.

On September 20, 2022, the State Water Board adjusted its drinking water fees to conform to the revenue levels set forth in the Budget Act for fiscal year 2022-23. Golden State, via Advice Letter No. 1892-W, modified the DWFMA to include this increase in drinking water fees charged by the State Water Resources Control Board. Advice Letter No. 1892-W was approved on January 6, 2023.

Since approval of Golden State's current DWFMA, the Water Board has continued to increase its drinking water fees on an annual basis, resulting in expense increases that are much higher than those included in presently-authorized rates.

On September 19, 2023, the Water Board notified Golden State that drinking water fees will be increasing approximately 5.5% for fiscal year 2023-2024.

Golden State seeks to have similar treatment afforded to the small water utilities in regards to recording and recovery of drinking water fees. As stated above, Golden State believes the drinking water fees should be deemed as always recoverable. Golden State agrees with Resolution W-4698, in that, drinking water fees are similar and should be treated the same as purchased water, purchased power, and pump tax balancing accounts approved for recovery without an earnings test. The account tracking the drinking water fees should be classified as a balancing account and recovery should be by advice letter requesting amortization of a balancing account.

Request

As directed by the Water Division, Golden State is seeking to close its Preliminary Statement for the Drinking Water Fees Memorandum Account, create a new Preliminary Statement for the Drinking Water Fees Balancing Account, and transfer the balance in the DWFMA to the DWFBA. Golden State's request to establish a Drinking Water Fees Balancing Account is the same that Commission Resolution No. W-4698 allows for the Class B, C, and D water

utilities, in that drinking water fees should be recorded and recovered similar to purchased water, purchased power, and pump tax.

The DWFBA will track the drinking water fees charged by the State Board under its adjusted drinking water fees that are incremental to those authorized in Golden State's General Rate Case proceedings.

Golden State's request is similar to California Water Service's request in its Advice Letter No 2497-W, filed on October 31, 2023 (supplemented on November 30, 2023).

Tier Designation

This advice letter is submitted with a Tier 2 designation. Golden State is requesting an effective date of December 7, 2021, the same effective date issued for its Advice Letter No. 1868-W.

Response or Protest

Anyone may submit a response or protest for this Advice Letter (AL). When submitting a response or protest, please include the utility name and advice letter number in the subject line.

A **response** supports the filing and may contain information that proves useful to the Commission in evaluating the AL. A **protest** objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

- 1. The utility did not properly serve or give notice of the AL;
- 2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
- 3. The analysis, calculations, or data in the AL contain material error or omissions;
- 4. The relief requested in the AL is pending before the Commission in a formal proceeding; or
- 5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
- 6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require re-litigating a prior order of the Commission.

A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

WD must receive a response or protest via email (<u>or</u> postal mail) within 20 days of the date the AL is filed. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.** The addresses for submitting a response or protest is:

California Public Utilities Commission Water Division 505 Van Ness Avenue San Francisco, CA 94102

E-mail: Water.Division@cpuc.ca.gov

On the same day the response or protest is submitted to WD, the respondent or protestant shall send a copy of the protest to Golden State Water Company, addressed to:

Golden State Water Company Attn: Ronald Moore 630 East Foothill Blvd. San Dimas, CA 91773

E-mail: regulatoryaffairs@gswater.com

Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform WD, within the 20-day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

Replies

The utility shall reply to each protest and may reply to any response. Any reply must be received by WD within five business days after the end of the protest period, and shall be served on the same day on each person who filed the protest or response to the AL.

The actions requested in this advice letter are not now the subject of any formal filings with the California Public Utilities Commission, including a formal complaint, nor action in any court of law.

No individuals or utilities have requested notification of filing of tariffs. Distribution of this advice letter is being made to the attached service list in accordance with General Order No. 96-B.

Sincerely,

<u>/s/ Ronald Moore</u> Ronald Moore

<u>Preliminary Statement</u> <u>Drinking Water Fees Balancing Account</u>

UUUU. Drinking Water Fees Balancing Account

(N)

1. Purpose

The purpose of the Drinking Water Fees Balancing Account (DWFBA) is to track the difference between all actual fees charged by the State Water Resources Control Board (Water Board) that vary from the adopted fees in authorized rates.

2. Applicability

This is applicable to all ratemaking areas.

3. Accounting Procedures

Golden State Water Company ("GSWC") shall maintain the DWFBA by making entries at the end of each month as follows:

- a. A debit or credit entry shall be made to the DWFBA at the end of each month to record the difference between actual drinking water fees and adopted drinking water fees.
- b. Interest shall accrue to the DWFBA on a monthly basis by applying a rate equal to one-twelfth of the 3-month non-financial Commercial Paper Rate, as reported in the Federal Reserve Statistical Release, to the average of the beginning-of-month and the end-of-month balances.

4. Effective Date

The DWFBA shall go into effect on the effective date indicated in Advice Letter 1868-W, which is December 7, 2021.

5. Disposition

Disposition of amounts recorded in the DWFBA shall be determined in GSWC's next General Rate Case application, or as otherwise determined by the Commission if the account's cumulative balance exceeds 2% of GSWC's adopted gross revenues. The recovery of over/under collections will be passed on to the customers through volumetric surcharges or flat rate surcredits.

<u>Preliminary Statement</u> <u>Drinking Water Fees Memorandum Account</u>

QQQQ. Drinking Water Fees Memorandum Account

1. Purpose

The purpose of the Drinking Water Fees Memorandum Account (DWFMA) is to track the difference between actual drinking water fees charged by the State Water Resources Control Board (based upon the revised fee schedule adopted by the State Board on September 20, 2021, and subsequently revised on September 20, 2022) and the drinking water fees authorized in rates.

(T)

2. Applicability

GSWC shall maintain the DWFMA by making entries at the end of each month as follows:

- a. A debit entry shall be made to the DWFMA at the end of each month to record the expenses.
- b. Interest shall accrue to the DWFMA on a monthly basis by applying a rate equal to one-twelfth of the 3-month non-financial Commercial Paper Rate, as reported in the Federal Reserve Statistical Release, to the average of the beginning-of-month and the end-of-month balances.

3. Effective Date

The DWFMA shall go into effect on the effective date indicated in Advice Letter 1868-W. The DWFMA will sunset with the effective date of GSWC's rates from its 2023 General Rate Case application.

4. <u>Disposition</u>

Disposition of amounts recorded in the DWFA shall be determined in GSWC's next General Rate Case application, or as otherwise determined by the Commission if the account's cumulative balance exceeds 2% of GSWC's adopted gross revenues. The recovery of over/under collections will be passed on to the customers through volumetric surcredits or surcharges.
