Advice Letter No. 1971-W

(U 133 W)

**TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Golden State Water Company (GSWC) hereby transmits this Tier 1 advice letter requesting the following changes to tariff sheets applicable to its Los Osos Customer Service Area (CSA):

<u>CPUC Sheet No</u>	<u>Title of Sheet</u>	<u>Canceling CPUC Sheet No.</u>
Revised No. 9888-W	Los Osos System Tariff Map	Revised No. 5253-W
Revised No. 9889-W	Table of Contents, Page 3	Revised No. 9864-W
Revised No. 9890-W	Table of Contents, Page 1	Revised No. 9887-W

**Purpose**

The purpose of this filing is to update the Los Osos system area map to bring it into conformance with the actual territory served by GSWC.

**Request**

GSWC is requesting to update its current Los Osos system area map on file with the California Public Utilities Commission's Water Division to reflect the actual area served. The map was last updated in May 2008.

The revised map updates clean-up areas within GSWC's service territory that were not shown on the last update. GSWC is removing areas that were included in the last map update but that are not served by GSWC. The layout of the map has been updated to show the boundaries of the actual area served.

Additionally, the map updates two services at 2550 Howard, that serve the lodge and landscape at the property. GSWC has provided service to this location since 1991.

The filing of this map will not increase any rate or charge, cause the withdrawal of service nor conflict with other schedules or rules.

**Tier Designation**

This advice letter is submitted with a Tier 1 designation. GSWC is requesting that this filing become effective on October 29, 2025.

**Response or Protest**

Anyone may respond to or protest this advice letter (AL). When submitting a response or protest, please include the utility name and advice letter number in the subject line. A response supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

1. The utility did not properly serve or give notice of the AL;
2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the AL contain material error or omissions;
4. The relief requested in the AL is pending before the Commission in a formal proceeding; or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require re-litigating a prior order of the Commission.

A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

A response or protest must be made in writing or by electronic mail and must be received by the Water Division (WD) within 20 days of the date this advice letter is filed. The address for mailing or delivering a protest is:

California Public Utilities Commission  
Water Division  
505 Van Ness Avenue  
San Francisco, CA 94102  
**E-mail:** [Water.Division@cpuc.ca.gov](mailto:Water.Division@cpuc.ca.gov)

On the same day the response or protest is submitted to WD, the respondent or protestant shall send a copy by mail (or e-mail) to GSWC at the following address:

Golden State Water Company  
Attn: Gladys Estrada  
630 East Foothill Blvd.  
San Dimas, CA 91773  
E-mail: [regulatoryaffairs@gswater.com](mailto:regulatoryaffairs@gswater.com)

Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform WD, within the 20 day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

**Replies**

The utility shall reply to each protest and may reply to any response. Any reply must be received by WD within five business days after the end of the protest period, and shall be served on the same day on each person who filed the protest or response to the AL. The actions requested in this advice letter are not now the subject of any formal filings with the California Public Utilities Commission, including a formal complaint, nor action in any court of law.

No individuals or utilities have requested notification of filing of tariffs. Distribution of this advice letter is being made to the attached service list in accordance with General Order No. 96-B.

Sincerely,

/s/ Gladys Estrada
