Advice Letter No. 2011-W **(U 133 W)**

To the California Public Utilities Commission:

Golden State Water Company ("GSWC") hereby transmits the attached tariff sheets applicable to its Region 3 Customer Service Area ("CSA").

CPUC Sheet No	Title of Sheet	Canceling CPUC Sheet No.
	See Attachment 1	

These tariffs are submitted pursuant to General Order No. 96-B. Pursuant to General Order No. 96-B Water Industry Rule 7.3.2.(4), this advice letter is designated as a Tier 1 Advice Letter.

Purpose

GSWC is seeking authorization from the California Public Utilities Commission ("Commission") to implement rates for Escalation Year 2027 and increase the water rates in its Region 3 CSA by $5,030,787 or 2.4% pursuant to Decision No. ("D.") 25-01-036, dated January 30, 2025, for General Rate Case Application No. 23-08-010.

Discussion

Ordering Paragraph No. 12 of the D.25-01-036 states,

> *12. For escalation year 2026 and 2027, Golden State Water Company shall file Tier 1 advice letters, in conformance with General Order 96-B and the Revised Water Rate Case Plan (Decision 07-05-062), proposing new revenue requirements and corresponding revised tariff schedules in each rate district and rate area in this proceeding, and in conformance with the Settlement Agreement and adopted estimated rates for each rate area as illustrated in the attached Appendices. This filing shall be subject to approval by the Commission's Water Division.*

GSWC has computed the 2027 Escalation Year using the escalation methodology set forth in the Revised Rate Case Plan, the escalation factors as of October 2026 as published by the Public Advocates Office Water Branch, and the September 2026 CPI-U.

Rate of Return
The following summary lists the Recorded, Authorized, Adjusted Authorized, and Pro-forma rates of return in GSWC's Region 3 CSA for twelve months ending September 2026. The pro forma rate of return is calculated in accordance with guidelines provided by the Water Division.

Recorded	9.13%
Authorized	7.93%
Adjusted Authorized	8.27%
Pro forma	8.57%

As shown above, the Pro-forma return is higher than the Authorized rate of return. As such, GSWC adjusted its proposed 2027 water rate increase, accordingly.

Copies of detailed workpapers supporting the proposed rate increase and rate calculations have been provided to the Commission Staff in accordance with Standard Practice U-27-W.

Effective Date
This is a Tier 1 advice letter. GSWC is requesting this filing become effective January 1, 2027.

Notice
No individuals or utilities have requested notification of filing of tariffs. Distribution of this advice letter is being made to the attached service list in accordance with Section 4.3 of General Order No. 96-B.

GSWC will notify its customers of this rate increase by placing a message on the customers' water bills that are generated after the increase goes into effect.

Service List
In accordance with General Order 96-B, General Rule 4.3 and 7.2 and Water Industry Rule 4.1, a copy of this advice letter will be transmitted **electronically** to competing and adjacent utilities and other utilities or interested parties having requested such notification. **Please note that this advice letter is only being distributed electronically.**

Response or Protest
Anyone may submit a response or protest for this Advice Letter ("AL"). When submitting a response or protest, please include the utility name and advice letter number in the subject line.

A **response** supports the filing and may contain information that proves useful to the Commission in evaluating the AL. A **protest** objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

1. The utility did not properly serve or give notice of the AL;
2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the AL contain material error or omissions;
4. The relief requested in the AL is pending before the Commission in a formal proceeding; or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require re-litigating a prior order of the Commission.

A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

Water Division ("WD") must receive a response or protest via email (**or** postal mail) within 20 days of the date the AL is filed. When submitting a response or protest, please include the utility name and advice letter number in the subject line. The addresses for submitting a response or protest is:

California Public Utilities Commission
Water Division
505 Van Ness Avenue
San Francisco, CA 94102
E-mail: Water.Division@cpuc.ca.gov

On the same day the response or protest is submitted to WD, the respondent or protestant shall send a copy of the protest to Golden State Water Company, addressed to:

Golden State Water Company
Attn: Regulatory Affairs Department
630 East Foothill Blvd., San Dimas, CA 91773
E-mail: regulatoryaffairs@gswater.com

Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform DWA, within the 20 day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

Replies

The utility shall reply to each protest and may reply to any response. Any reply must be received by WD within five business days after the end of the protest period, and shall be served on the same day on each person who filed the protest or response to the AL.

The actions requested in this advice letter are not now the subject of any formal filings with the California Public Utilities Commission, including a formal complaint, nor action in any court of law.

Sincerely,

/s/ Yvonne Pinedo
