Equipping New Well & Plant Site Improvements at La Jolla Plant

What	Equip new water well and plant site (tie-in new well) at Golden State Water Company's La Jolla Plant.
When	Construction will begin late February 2023 to equip new well and modify plant to connect new well to the existing system. Completion of the site construction will be tentatively late January 2024. Construction hours shall be 8:00AM to 5:00PM, Monday through Friday.
Where	The La Jolla Plant site is located at 917 Vista Avenue, City of Placentia.
What to Expect	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging throughout the plant site. The streets will remain open to traffic during the construction period. Traffic and parking may be restricted periodically for short durations of time to get large equipment and materials in and out of the site. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pickup will not be interrupted.
Contacts	<p>If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.</p> <p>Please visit our website at www.gswater.com/placentia/infrastructure-projects/ for periodic updates on the construction progress.</p>
