Water Company
A Subsidiary of American States Water Company

CONSTRUCTION NOTICE

Booster Station Project

WHAT	Construction of Booster Station with (4) pumps, CMU Walls, MCC, 3-Phase Electrical Service, Suction and Discharge Piping.
WHEN	Construction will commence at the end of May 2026, with completion expected by the end of February 2027. Construction shall be limited to 7:00 AM to 5:00 PM. No work on Weekends or Holidays.
WHERE	790 ½ De Anza Heights Road-Pump Station-Tract 53984, La Verne, CA 91750.
WHAT TO EXPECT	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging and modifying within the plant site. The streets will remain open to traffic during the construction period. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period.
CONTACTS	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.

Golden State Water Company thanks you for your patience while we work to improve your water system.

Ongoing investments in the treatment and delivery of water create sustainable, long-term value for customers in this water system.
