

Golden State
Water Company
A Subsidiary of American States Water Company

Investing in You

Golden State Water is dedicated to maintaining local infrastructure to ensure customers receive safe, high-quality and reliable water they can trust.

In Arden Cordova, the recently completed **Church Well No. 25** project represents a critical investment in local water infrastructure. The new potable water well is capable of producing up to **750 gallons per minute** and replaces a nearly 69-year-old well that reached the end of its service life.

Our Commitment to Quality and Reliable Service

From 2025-2027, Golden State Water will provide customers with long-term value by investing over **\$26.1 million** in proactive capital investments in the Arden Cordova service area and maintaining local water infrastructure, which is essential to the delivery and treatment of safe, high-quality and reliable water.
