More than $8.9 Million scheduled to be invested in Barstow

Golden State Water is committed to responsibly maintaining the local water infrastructure to ensure we can continue providing customers with premium water service. These investments protect the safety and reliability of the local water system.

Benefit to Customers

Below are two of the major projects planned for the Barstow Customer Service Area in 2022. For additional project details, please visit www.GSWater.com/Barstow.

**Project Name: Bear Valley Booster Station**

**Construction Summary**

Construction crews will work to install approximately 5,800 LF of new 16-inch main along with related appurtenances to extend the main to the new reservoir on Irwin Road; and install new 1.5 MG steel reservoir including reservoir piping, instrumentation, electrical and SCADA works.

**Project Rational**

This project is required to ensure the continued reliability and quality of service to local customers by installing a new reservoir and increasing the water supply in the area.

**Working Hours**

Monday through Friday | 7 a.m. – 4 p.m.

**Anticipated Project Timeline**

December 2021 through December 2022

**Project Name: Irwin Reservoir and Transmission Main**

**Construction Summary**

Construction crews will work to construct a new booster station to replace the existing booster station, install a new generator, instrumentation, electrical and SCADA works.

**Project Rational**

This project is required to ensure the continued reliability and quality of service to local customers by replacing the existing booster station that is reaching the end of its useful life.

**Working Hours**

Monday through Friday | 7 a.m. – 4 p.m.

**Anticipated Project Timeline**

July 2022 through January 2023

Companywide, an investment of more than $18 million to replace old meters, services, safety equipment, etc. will be made throughout GSWC service areas. This investment is critical to protect the quality and reliability of water service.

Golden State Water also remains focused on investing to modernize the customer service experience with improved online and account management resources.
