

**Golden State**  
Water Company  
A Subsidiary of American States Water Company

# Investing in You

**Golden State Water is dedicated to maintaining local infrastructure to ensure customers receive safe, high-quality and reliable water they can trust.**

In Barstow, the recently completed **Lenwood Seismic Coupling** project represents a critical investment in local water infrastructure. The project included seismic upgrades to the 1-million-gallon Lenwood Reservoir and rehabilitation of the reservoir's interior and exterior coatings to meet current safety standards.
