

Golden State
Water Company
A Subsidiary of American States Water Company

Investing in You

Golden State Water is dedicated to maintaining local infrastructure to ensure customers receive safe, high-quality and reliable water they can trust.

In Bay Point, the recently completed **Willow Pass Road Pipeline** project represents a critical investment in local water infrastructure. More than **1,700 linear feet of new pipeline** will improve your water system's reliability, water quality and enhance fire suppression capacity.
