

Schedule No. BY-1-NR  
Bay Point District  
Non-Residential Metered Service

**SPECIAL CONDITIONS**

1. All bills are subject to the reimbursement fee set forth on Schedule No. UF.
2. New Services: Contra Costa Water District (CCWD) imposes a Facilities Reserve Charge for new or enlarged Retail services in this district. An applicant for service must first pay this fee, if applicable, to CCWD before service will be rendered under this schedule.
3. Pursuant to Decision No. 19-05-044 and Advice Letter No. 1842-W, a surcharge of \$0.095 per Ccf will be applied to all metered customer bills excluding customers that are receiving the CAP credit. This surcharge will offset the CAP credits and CAP administrative program costs recorded in the CAP Balancing Account.
4. As authorized by Rule 9.1.e. for customers with more than one meter on a single service line, the customer's service charge rate is based on a factor multiplied by the service charge applicable to the nearest standard meter size of the combined meters as determined by the equivalent diameter methodology.
5. Non-residential Sprinkler rates can be added as needed utilizing the multiplication factors identified in Appendix F of D. 17-03-001, applied to the 5/8" meter charge.
6. As authorized by the California Public Utilities Commission, an amount of \$0.856 per Ccf is to be added to the quantity rate for a 36-month period from the effective date of Advice Letter 1771-W, which is June 8, 2019. This surcharge will amortize the cumulative balance recorded in Randall Bold Balancing Account (RBBA) as of May 2017.
7. Beginning July 1, 2020, as required by Section 792.5 of the Public Utilities Code, an increase in purchased power of \$0.01580/kWh and an increase in purchased water of \$0.18900/Ccf, relative to the Purchased Power and Purchased Water cost adopted by Decision No. 19-05-044, and an associated revenue increase of 2.24%, are being tracked in a reserve account.
