**GOLDEN STATE WATER COMPANY'S  
NOTICE OF APPLICATION  
REQUESTING TO INCREASE RATES  
BAY POINT SERVICE AREA  
(APPLICATION NO. 20-07-012)**

On July 15, 2020, Golden State Water Company (GSWC) filed what is known as a "General Rate Case" (GRC) application with the California Public Utilities Commission (CPUC). The application filing by GSWC requests to increase rates over a three-year period, covering the years 2022 through 2024. This request to increase rates would be effective beginning January 1, 2022.

**Why is GSWC requesting this rate increase?**

The CPUC requires GSWC to submit a GRC application every three-years. GSWC is requesting authorization to increase revenues in the Bay Point service area by \$496,700 (or 7.82%) for 2022, \$177,600 (or 2.59%) in 2023, and \$212,000 (or 3.00%) in 2024. The total requested increase for all three years combined would be \$886,300 (or 13.41%).

The purpose of this GRC is for GSWC to cover its anticipated costs from 2022 through 2024 for improvements to the water supply system, purchased water, costs for corporate support and operating services from a central location (such as customer service, water quality, environmental, accounting and human resources) and property taxes and depreciation expenses.

**How could this affect my monthly bill?**

If the proposed application is approved by the CPUC, the average residential customer with a 5/8 x 3/4" meter using 7 Ccf would see a monthly bill increase of \$4.73 (or 7.48%), from \$63.25 to \$67.98 in 2022. In 2023 the average residential customer would see a monthly bill increase of \$1.80 (or 2.65%), from \$67.98 to \$69.78, and a monthly bill increase of \$2.10 (or 3.01%), from \$69.78 to \$71.88 in 2024, **excluding any applicable surcharges.**

**How does the rest of the process work?**

This application will be assigned to a judge, who will consider proposals and evidence presented during the formal hearing process. The judge will issue a proposed decision which may adopt GSWC's application, modify it, or deny it. Any CPUC Commissioner may sponsor an alternate decision. The proposed decision, and any alternate decisions, will be discussed and voted upon by the CPUC Commissioners.

The Public Advocates Office may review this application. The Public Advocates Office is the independent consumer advocate within the CPUC with a statutory mandate to represent customers of investor-owned utilities to obtain the lowest possible rate for service consistent with safe and reliable service and the state's environmental policy goals.
