Scheduled Investments and Key Projects 2022 | Calipatria

More than \$1.8 Million scheduled to be invested in Calipatria

Golden State Water is committed to responsibly maintaining the local water infrastructure to ensure we can continue providing customers with premium water service. These investments protect the safety and reliability of the local water system.

Benefit to Customers

Below are two of the major projects planned for the Calipatria Customer Service Area in 2022. For additional project details, please visit www.GSWater.com/Calipatria.

Project Name: Brown Avenue Main Replacement

Construction Summary Construction crews will work to install approximately new 795 LF of

8-inch main along with related appurtenances to replace the

existing old 4-inch mains.

Project Rational This project is required to ensure the continued reliability and

quality of service to local customers by abandoning existing old mains that are reaching the end of their useful life and installing

new water mains.

Working Hours Monday through Friday | 7 a.m. – 4 p.m.

Anticipated Project October 2021 through January 2022

Timeline

Project Name: Commercial Avenue Main Replacement

Construction Summary Construction crews will work to install approximately new 3,160 L.F.

of 8-inch main along with related appurtenances to replace the

existing old 4-inch mains.

Project Rational This project is required to ensure the continued reliability and

quality of service to local customers by abandoning existing old mains that are reaching the end of their useful life and installing

new water mains.

Working Hours Monday through Friday | 7 a.m. – 4 p.m.

Anticipated Project February 2022 through August 2022

Timeline

Companywide, an investment of more than \$18 million to replace old meters, services, safety equipment, etc. will be made throughout GSWC service areas. This investment is critical to protect the quality and reliability of water service.

Golden State Water also remains focused on investing to modernize the customer service experience with improved online and account management resources.
