GOLDEN STATE WATER COMPANY NOTICE AND APPLICATION FOR
CUSTOMER ASSISTANCE PROGRAM (CAP)

Program Description
The California Public Utilities Commission has authorized Golden State Water Company (GSWC) to implement a Low Income Program to assist low-income families. GSWC’s Customer Assistance Program (CAP) program provides a monthly credit for eligible customers based upon the same income qualification guidelines that are used by the electric and gas California Alternate Rate for Energy (CARE) programs.

If you already participate in the CARE program of participating energy utilities you may also qualify for GSWC’s CAP program by submitting a copy of a current utility bill showing your eligibility for CARE and a signed and completed GSWC CAP application. Customers, who do not participate in these programs, can enroll by filling out and submitting this CAP application to GSWC. For questions please call GSWC’s CAP Hotline at (866) 360-2279. All enrollments are subject to the program guidelines and qualifications. For more information please visit our website at www.gswater.com. The CAP program also extends eligibility to customers in mobile homes who receive their water through sub-metered service, non-profit group living facilities, agricultural employee housing facilities and migrant worker housing centers that are enrolled in the CARE programs. The CAP discount becomes effective after your application and proof of income have been verified and approved, if proof of income is required by GSWC.

• You must renew your application every two years, or sooner, if requested.
• You must notify GSWC within 30 days if you become ineligible for CAP.
