

Golden State
Water Company
A Subsidiary of American States Water Company

Investing in You

Golden State Water is dedicated to maintaining local infrastructure to ensure customers receive safe, high-quality and reliable water they can trust.

In Clearlake, the ongoing **Systemwide Supervisory Control and Data Acquisition (SCADA)** project involves upgrading SCADA systems at existing plant sites and installing new SCADA systems at facilities that currently operate without them. Customers will see **improved system resilience** to ensure **safe and reliable water service** for years to come.
