

CONSTRUCTION NOTICE

Installation of an Emergency Generator

What	Installation of a new Emergency Generator at Niles Plant located 2141 Sycamore Drive.
When	Construction for the new generator is anticipated to start on 9/30/19 with an estimated completion date of 11/13/19 . The working hours are Monday through Friday from <u>7:00am to 4:00pm</u> .
Where	The emergency generator will be located at Niles Plant at 2141 Sycamore Drive.
What to Expect	Construction crews with excavators, backhoes, dump trucks, crew trucks and other hand tools will be digging and modifying equipment within the plant site. The streets will remain open to traffic during the construction period but traffic and parking may be restricted. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period.
Contacts	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.

Golden State Water Company thanks you for your patience while we work to improve your water system.

Golden State Water Company (GSWC) provides water to approximately one out of every 30 people in California. Approximately one million residents in 75 cities and 10 counties receive their water through 253,000 service connections from GSWC.
