CONSTRUCTION NOTICE

Well Drilling & Treatment

WHAT	Robbins System – James Site - Drill and construct James Well No. 3 and associated water treatment facilities.
WHEN	Construction will commence in mid-June 2025 with completion expected by late-November 2026. Typically, construction shall be limited to regular daytime hours Monday through Friday. However, there will be times during the construction period when around-the-clock (24 hours a day, 7 days a week) operations will be necessary.
WHERE	The well and treatment facilities will be constructed at 18177 Sacramento Valley Boulevard, Robbins, CA 95676.
WHAT TO EXPECT	Construction crews with drilling rig, excavators, backhoes, dump trucks, crew trucks and other hand tools will be drilling the new well and installing new treatment equipment within the plant site. Nearby streets will remain open to traffic during the construction period. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period.
CONTACTS	If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.

Golden State Water Company thanks you for your patience while we work to improve your water system.

Ongoing investments in the treatment and delivery of water create sustainable, long-term value for customers in this water system.
