

## More than \$8.3 Million scheduled to be invested in Culver City

Golden State Water is committed to responsibly maintaining the local water infrastructure to ensure we can continue providing customers with premium water service. These investments protect the safety and reliability of the local water system.

### Benefit to Customers

Below are two of the major projects planned for the Culver City Customer Service Area in 2022. For additional project details, please visit [www.GSWater.com/Culver-City](http://www.GSWater.com/Culver-City).

#### Project Name: Westwood and Virginia Avenues AMR

**Construction Summary** Construction crews will work to install approximately 5,900 L.F of 8-inch PVC pipe to replace the existing old 4-inch, 6-inch, and 8-inch pipes, as well as 24 new fire hydrants, and 199 domestic services.

**Project Rational** This project is required to provide continued reliability and quality of service to local customers by abandoning existing old pipelines that are reaching the end of their useful life.

**Working Hours** Monday through Friday | 8 a.m. – 4 p.m.

**Anticipated Project Timeline** October 2022 through May 2023

**Project Location** Culver City's Public Right of Way

#### Project Name: Wrightcrest Drive AMR

**Construction Summary** Construction crews will work to install approximately 7,500LF of 8-inch PVC pipe to replace the existing old 4-inch, 6-inch, and 8-inch pipes, as well as 24 new fire hydrants, and 140 domestic services.

**Project Rational** This project is required to provide continued reliability and quality of service to local customers by abandoning existing old pipelines that are reaching the end of their useful life.

**Working Hours** Monday through Friday | 8 a.m. – 4 p.m.

**Anticipated Project Timeline** September 2022 through June 2022

**Project location** Culver City's Public Right of Way

Companywide, an investment of more than \$18 million to replace old meters, services, safety equipment, etc. will be made throughout GSWC service areas. This investment is critical to protect the quality and reliability of water service.

Golden State Water also remains focused on investing to modernize the customer service experience with improved online and account management resources.
