# CONSTRUCTION NOTICE

N Industrial Ave Area Main  
Replacement – Phase 1

<b>WHAT</b>	Installation of new 8" PVC water main, gate valve, and abandonment of existing main.
<b>WHEN</b>	Construction is scheduled to commence by June 29, 2026, with completion expected by mid-July 2026. Working hours will vary but will typically be between 7:00 AM and 5:00 PM. No work on Weekends or Holidays.
<b>WHERE</b>	The water improvements will be performed at the following locations in Calipatria, CA: <ul style="list-style-type: none"><li>a. At the intersection of S Brown Ave and E. Bonita Pl</li><li>b. At the intersection of the Alley located on the west side of S. Brown Ave between Alamo St. &amp; Main St</li></ul>
<b>WHAT TO EXPECT</b>	Construction crews with backhoes, dump trucks, crew trucks and hand tools will be digging along the new pipeline alignment. The streets will remain open to traffic during the construction period, but traffic and parking may be restricted and access to driveways may be limited for short durations of time. The construction crews will make every effort to keep dust to a minimum. Please expect an increased level of noise during the construction period. Weekly activities such as trash pick-up will not be interrupted. As sections of the new main are completed crews will disinfect the main. This step is necessary to protect public health and to ensure compliance with the Waterworks Standards. Following the disinfection period, crews will flush the chlorinated water and any construction related sediment from the main. Crews will dechlorinate the water before discharge.

---

**CONTACTS**

If you have any questions or concerns about the construction activities for this project, please call the Golden State Water Company Customer Service Center at (800) 999-4033.
