

FIRE FLOW TEST APPLICATION FF-1

Golden State Water Company (GSWC) charges **\$375.00** for each fire flow test that is performed by GSWC personnel. Discounts for multiple tests being requested are not available. The **\$375.00** fee is due in advance of GSWC performing the fire flow test. Estimated turnaround time is 2-4 weeks.

Please return the completed GSWC form and the Fire Department fire flow test form to: **Customer Service Group** csg@gswater.com - A customer service representative will contact you for payment.

This section is to be fully completed by the Applicant ((One fire flow test request per Application Form) (one hydrant per application))
