

Golden State  
Water Company  
A Subsidiary of American States Water Company

# Investing in You

Golden State Water is dedicated to maintaining local infrastructure to ensure customers receive safe, high-quality and reliable water they can trust.

In Los Osos, the recently completed **Jack Ranch Reservoir** project represents a critical investment in local water infrastructure. The new above-ground **250,000-gallon storage tank** was constructed to enhance system capacity, service reliability and improve fire suppression efforts.
