# Investing in You

**Golden State Water is dedicated to maintaining local infrastructure to ensure customers receive safe, high-quality and reliable water they can trust.**

In Placentia, the **Ambervale Secondary Feeder Line** project represents an important investment in local water infrastructure. The project included installing approximately **1,560 linear feet of 12-inch PVC pipeline** along Newport Boulevard in the northern half of the Cowan Heights system. This new pipeline is the first phase of a larger effort to loop the Clearview and Timberline zones and address hydraulic deficiencies within the system.
