4. Water Service Fee: Following the Effective Date of Advice Letter 1217-W, Forest Lawn shall pay a monthly fee to GSWC as payment towards the Fixed Costs (“Water Service Fee”), which shall be determined as follows:

Water Service Fee. The Agreement attached to Advice Letter No. 1217-W contains as Exhibit A, a schedule of Fixed Costs supporting the rates specified in GSWC’s Tariff Schedule R3-1 as of January 1, 2006. If the Effective Date occurs while Fixed Costs remain the same, Forest Lawn will pay an initial monthly Water Service Fee of two thousand, four, hundred forty-six dollars (\$2,446) for GSWC’s maintaining a potable water connection for use by the Cemetery for irrigation purposes, which the Parties agree is an accurate determination of Forest Lawn’s proportional share of said Fixed Costs.

Periodic Adjustments. The amount of the Water Service Fee shall be adjusted, as necessary, concurrently with the effective date of each future change in GSWC’s CPUC-approved tariff Schedule No. R3-1 or successor tariff to reflect the Cemetery’s then proportional share of Fixed Costs. The methodology for said adjustments shall be the same as that set forth in Exhibit A to the Agreement attached to Advice Letter No. 1217-W.

Schedule No. R3-3
Irrigation Water Service To Forest Lawn
Memorial Park - Covina Hills

SPECIAL CONDITIONS

5. Quantity Fee for Recycled Water. GSWC shall not assess a quantity fee for the quantity of recycled water used by the Cemetery for irrigation purposes.
6. Potable Water Quantity Fee. Should the Cemetery use potable water supplied by GSWC for irrigation purposes following commencement of the use of recycled water for such purposes, GSWC shall charge Forest Lawn and Forest Lawn shall pay to GSWC a fee per hundred cubic feet of potable water served to the Cemetery ("Potable Water Quantity Fee"), which shall reimburse GSWC for the variable costs of supplying potable water supplies to the Cemetery for irrigation purposes. The Potable Water Quantity Fee shall initially be equal to forty-nine percent (49%) ("Variable Cost Percentage") of GSWC's generally applicable water quantity fee pursuant to GSWC's tariff schedule R3-1 or successor tariff. The initial Variable Cost Percentage is set forth in Advice Letter No. 1217-W.
7. The Variable Cost Percentage shall be adjusted, as necessary, concurrently with the effective date of each future change in GSWC's CPUC-approved tariff schedule R3-1 or successor tariff. The methodology for said Variable Cost Percentage adjustment shall be the same as that set forth in Exhibit B to the Agreement attached to Advice Letter No. 1217-W.
8. Meter Service Cost. Forest Lawn shall reimburse GSWC for any and all actual costs incurred by GSWC in replacing the meters associated with providing potable water to the Cemetery for irrigation purposes, when such replacement is, in GSWC's sole determination, necessary.
9. Potable Water Supplies during Drought Period Conditions; Rationing. The Parties acknowledge that the substitution of recycled water for a significant portion of the Cemetery's irrigation needs will result in a lower historical baseline of potable water service to the Cemetery in the future. GSWC agrees that should it employ a rationing program during drought periods, which sets water supply allocations based upon historical baseline water use, Forest Lawn will be assigned an effective annual baseline use equal to its actual annual use of recycled and table water during any baseline period.
10. As authorized by the California Public Utilities Commission, a one-time credit in the amount of -\$2.21 will be applied to customer bills on the effective date of Advice Letter 1903-W. This refund includes the over-collection in the 2018 Cost of Capital Memorandum Account. (N)
11. As authorized by the California Public Utilities Commission, a one-time credit in the amount of -\$1.42 will be applied to customer bills on the effective date of Advice Letter 1903-W. This refund includes the General Ratemaking Area Balancing Account. (N)
