

More than \$6.2 Million scheduled to be invested in San Dimas

Golden State Water is committed to responsibly maintaining the local water infrastructure to ensure we can continue providing customers with premium water service. These investments protect the safety and reliability of the local water system.

Benefit to Customers

Below are two of the major projects planned for the San Dimas Customer Service Area in 2022. For additional project details, please visit <u>www.GSWater.com/San-Dimas</u>.

Pro	iect Name [.]	Highway	Plant R	asarvoir R	eplacement
FIU	ject Name.	Tiigiiway	FIAIL NO		epiacement

Construction Summary	Construction crews will work to install new 210,000 gallon welded steel tank to replace the existing old 210,000 gallon bolted steel tank, including reservoir piping, instrumentation, electrical and SCADA works.	
Project Rational	This project is required to ensure the continued reliability and quality of service to local customers by replacing an existing old tank that has reached the end of its useful life.	
Working Hours	Monday through Friday 7 a.m. – 4 p.m.	
Anticipated Project Timeline	March 2022 through November 2022	

Project Name: San Dimas Fire Hardening

Construction Summary	Construction crews will work to install approximately 230 feet of blockcrete wall to replace the existing chain link fence, including concrete fence post and foundation.
Project Rational	This project is required to ensure the continued reliability and quality of service to local customers by replacing the existing chain link fence with 10' high masonry wall to fire harden the site.
Working Hours	Monday through Friday 7 a.m. – 4 p.m.
Anticipated Project Timeline	February 2022 through April 2022

Companywide, an investment of more than \$18 million to replace old meters, services, safety equipment, etc. will be made throughout GSWC service areas. This investment is critical to protect the quality and reliability of water service.

Golden State Water also remains focused on investing to modernize the customer service experience with improved online and account management resources.
