

## More than \$7 Million scheduled to be invested in San Gabriel

Golden State Water is committed to responsibly maintaining the local water infrastructure to ensure we can continue providing customers with premium water service. These investments protect the safety and reliability of the local water system.

## **Benefit to Customers**

Below are two of the major projects planned for the San Gabriel Customer Service Area in 2022. For additional project details, please visit <u>www.GSWater.com/San-Gabriel</u>.

Project Name: Teresa Plant Improvements		
	Construction Summary	Construction crews will work to install a new pump station with four (4) new pumps to replace the existing three (3) old pumps, including a new building to house the pump and electrical control room, reservoir piping, instrumentation, electrical and SCADA works, and temporary pumping station.
	Project Rational	This project is required to ensure the continued reliability and quality of service to local customers by replacing the existing pumps that are no longer efficient to increase the source of water supply.
	Working Hours	Monday through Friday   7 a.m. – 4 p.m.
	Anticipated Project Timeline	March 2022 through January 2023
Project Name: Saxon Well No. 3 Replacement		
	Construction Summary	The first phase of this project is to develop Saxon Well No. 5. Construction crews will work to drill, construct and test Saxon Well No. 5.
	Project Rational	This project is required to ensure the continued reliability and quality of service by replacing the old Saxon Well No. 3 that has reached the end of its useful service life.
	Working Hours	Monday through Friday   7 a.m. – 4 p.m.
	Anticipated Project Timeline	May 2022 through March 2022

Companywide, an investment of more than \$18 million to replace old meters, services, safety equipment, etc. will be made throughout GSWC service areas. This investment is critical to protect the quality and reliability of water service.

Golden State Water also remains focused on investing to modernize the customer service experience with improved online and account management resources.
